8. Keyword Gap Analysis

The following keywords were found to have good ranking potential but limited competition:

- Affordable Wedding Catering Coimbatore
- Premium Catering Services Coimbatore
- Vegetarian Wedding Catering Coimbatore
- Corporate Lunch Catering Coimbatore
- Catering for Housewarming Functions
- Traditional South Indian Catering Coimbatore

9. SEO Findings

Strengths of Competitors

- Optimized service pages.
- Local SEO targeting Coimbatore keywords.
- Strong customer reviews.
- Dedicated wedding catering pages.

Weaknesses

- Limited blog content.
- Poor FAQ optimization.
- Few location-specific landing pages.
- Lack of long-tail keyword targeting.

10. SEO Recommendations

On-Page SEO

- Optimize title tags with target keywords.
- Improve meta descriptions.
- Add FAQ schema.
- Create service-specific landing pages.

Content Marketing

Publish blogs such as:

- Top 10 Wedding Caterers in Coimbatore
- Catering Cost Guide in Coimbatore
- Best Menu Ideas for Weddings
- Veg vs Non-Veg Catering Comparison

Local SEO

- Optimize Google Business Profile.
- Collect customer reviews regularly.
- Add local business schema markup.
- Build citations in local directories.

11. Expected Results

If recommendations are implemented:

- 20–30% increase in organic traffic.
- Better rankings for catering-related keywords.
- More local leads and inquiries.
- Improved Google Maps visibility.

12. Conclusion

Competitor keyword analysis revealed that most catering businesses in Coimbatore focus on broad keywords such as "Catering Services Coimbatore" and "Wedding Catering Coimbatore." Significant opportunities exist in long-tail and local-intent keywords, which can help businesses achieve higher rankings and attract targeted customers.
